NOTIFIED BODY UE N. 2008

Authorized from the ministry of economic development and from the ministry of labour and social affairs with the decree dated 12th December 2007

considered the application for EC type-examination no. **140041** presented the **14/04/2014**

CERTIFIES THAT

the following personal protective equipment model

Personal protective equipment for work positioning and prevention of falls from a height. Work positioning lanyards

A024-1000

presented by

Cofra S.R.L.

Via dell'Euro 43-59 76121 Barletta (BT) Italy

resulted to be in conformity with the essential requirements provided for by the Attachment II of the Directive.

The description of the personal protective equipment model, the normative reference, the verification results and the description of the CE marking on the equipment are described on page 2. 3. 4 of the present document.

First issue date: **06/05/2014**

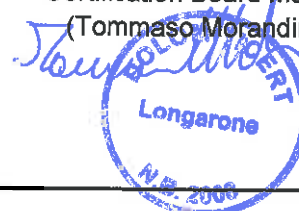

Renewal or revision date: **/**

Expiration date: **05/05/2019**

Longarone, **06/05/2014**

This document consists of no. 4 numbered pages.

Certification Board Manager
(Tommaso Morandin)

1. Description of the Personal Protective Equipment

Product Designation: A024-1000
 Commercial Trade: COFRA
 Product Description: Personal protective equipment for work positioning and prevention of
 Type /
 Intended purpose: Personal protective equipment for work positioning and prevention of
 falls from a height. Work positioning lanyards

Model A024
 Reference code A024-1000
 In Conformity with the Standard(s) EN358:1999 and EN365:2004
 PPE Category: III
 Connector material
 Gate material Nylon with a fiber with a breaking load of 0.6 N/tex
 Rivet material Steel
 Spring material The lanyards is composed of: two connectors model A040 and a
 Gate-locking device material /
 Complete connector weight (g) The material of the stitches is Polyester and they are 2 for every end
 Total length (mm) /
 Maximum width (mm) /

Note:

Manufacturer's name: Cofra S.R.L.
 Manufacturer's address: Via dell'Euro 43-59 76121 Barletta (BT) Italy
 Mandatary's name: /
 Mandatary's address: /
 Certificate's holder : Cofra S.R.L.
 Holder's address: Via dell'Euro 43-59 76121 Barletta (BT) Italy

2. Levels of protection offered by the personal protective equipment

Applicable Standards:

EN 358:1999 Personal protective equipment for work positioning and prevent of falls from a height - Belts for work positioning and restraint and work positioning lanyards

EN 365:2004 Personal protective equipment against falls from a height General requirements for instructions for use, maintenance, periodic examination, repair, marking and packaging

/

The protection equipment A024-1000

is in conformity with the basic requirements provided by the standard(s) of reference for the particular fields of utilization the device is addressed to.

EN358:1999 and EN365:2004

Moreover, the protection equipment is in conformity with the specific requirements provided by the connected norm for the particular fields of utilization the device is addressed to:

/

/

The performance characteristics of the protection equipment are:

/

/

/

/

/

/

3. Test results and test examinations are covered by the following test reports:
